PARISH MISSION STATEMENT

As members of Saint Stephen Roman Catholic Church, in union with the People of God throughout the world, we desire to accept God's call to live as Christ lived. By creating a welcoming atmosphere, in which the teaching of Christ can be shared and the praise of God proclaimed, we seek to foster this same desire in each member of Saint Stephen's. In faith, in worship, in education and in love, we serve one another in the larger community in Christ's name.
